Kathy,

I've attached the sharepoint version that I think everyone was working off of and one that I think you might have added in case that has additional edits.

All,

Just letting you know I may or may not be able to respond to or edit documents or join meetings as I am currently in the never ending spinning circle of dots. (50 min so far). Call me if you need something (or please put into email so I can read it). 201-566-1269

I have again been working with (or waiting as I am not) eztech since 9 am today.

They made changes and I've been told to not shut down.

Hope your day is going technologically smoother,  
- Kathy

Rosemary, Alexis, or Kelly, can you email me the FL BA as an attachment. Then I can hopefully join msmeetings via my phone and have the doc on my personal computer.
